

Boulton Ave.

Degrassi St.

Broadview Apartments, was originally a late 19th century hotel. It reprised that role briefly when this stretch of Queen was used for the filming of Cinderella Man

The Fish & Chips store here is in classic Toronto style. An ancient interior, three items on the menu, and the smell of stale fryer grease. My kind of restaurant!

Degrassi St. runs from Queen street up to Gerrard. It has one high school, but Joey Jeremiah is nowhere to be seen. Regal Hardware recently redecorated.

Bonjour Brioche has good coffee, but I go for the sandwiches. Rare roast beef and brie on a bagette. I love it.
